

GRNZ Small Breeder Fund Policy

1 March 2019

Purpose

The purpose of this policy is to outline the criteria and process for breeders applying for the Small Breeder Funding.

Definition

A small breeder is defined as a breeder who has no more than two registered breeding females at the time of application and has bred no more than two litters in the 12 months preceding the application. Immediate family members or partners on the same property are deemed to be the same small breeder for the Small Breeder Fund applications.

Scope

These criteria apply to breeders eligible to apply for the Small Breeder Fund as defined above.
