### **GLENDA HUGHES**

### Hello all

Firstly, what a great day we had at the GRNZ Conference and Awards Dinner. The focus on the welfare of our greyhounds was certainly reflected during the conference as well as the importance of social responsibility and having a supportive culture within the Greyhound Racing industry.

The presentation from our keynote speaker Jo Heath; the Great Mates Programme Coordinator at Rimutaka Prison, was extremely informative and demonstrated the huge value that this programme and our greyhounds can contribute to the rehabilitation of the inmates including aiding their social, teamwork and behavioural skills. Jo's presentation was live-streamed and is available on our Facebook page for those of you who were unable to attend our conference.

The conference workshops covered a great range of topics including track safety, regulations development, grevhound welfare and wagering; all were very informative and educational, and based on the Q&A forum at the end of the conference, I could see that there was a yearn for further knowledge in almost all areas. This, for me, reiterated the incredible passion in the room for the sport and a positive yet measured outlook for the future of this sport.

We've had some constructive feedback from conference attendees already, which we've taken onboard, and we are looking forward to receiving the rest of your responses to the 2019 conference survey.

Onto the Awards night, a big thanks to our MC Steve Davis, the staff and event mangers for dedicating a lot of time and effort to ensure things ran smoothly during evening. Congratulations once again to all our award winners, we admire your efforts as you continue holding this sport to the highest standard.

Kind regards

Glenda Hughes Interim Chief Executive

The TAB Melbourne Cup was on display during the October 6 running of the \$35,000 Waterloo Cup at the Manukau Stadium. The reason for the fleeting trans-Tasman visit for the gold plated cup was the heat exemption that is granted to the Waterloo Cup winner to contest the Sandown Park hosted A\$630,000 515m race.

The Waterloo Cup is New Zealand's oldest racing trophy having first being contested for in 1878 as a coursing event.

Robson indicated his desire for a possible crack at the Manukau Cup when he delivered his emphatic Waterloo Cup 527m victory for his Cambridge mentor Peter Ferguson.

After settling handy to the early pace Robson effortlessly strode up the pacemakers around the home turn from where he seized the race lead to stride clear for his comfortable 6.5 length Group 1 win, clocking a smart 30.32s.

The race favourite Dyna Dave fairly stormed home late to claim the runner up's prize. It's amazing that this Craig Roberts prepared chaser has yet to taste success at Group race level. He also holds a Melbourne Cup heat exemption compliments of his August NZ Aussie Nationals Middle Distance win.

Bigtime Levi has been an ultra-consistent chaser for his trainer Lisa Cole for a long period of time and he was rewarded with his third placing when he was also sighted charging home late, 2.5 lengths further behind. In doing so, this son of Spring Gun and Bigtime Karen landed the \$1,000 Breeders bonus for the Coles by being the first New Zealand bred greyhound to finish in the Group 1 event.

"Robson's win was very satisfying – it was the fruition of a plan. I knew he was ready for a big effort in the final. He had a really good week leading into the race and when I paraded him to the traps, I knew then that he was really focused. He came away nicely and it was when they were at the 318m traps when I felt confident as he was in the right place at the right time.

When he won the race, I was ecstatic for the dog as well as Ian and Carol O'Neil (co-owners with Pete Ferguson). We have formed a great relationship with them, and we work in together – it was really great to share the win with them.

We are rapt for the dog – he has come of age and has matured into the complete race dog," advised Ferguson.

When asked about making the possible trip to Melbourne the dual code industry participant said, "at this stage it's more than likely we will go than not. In saying that, the NZ Cup is Robson's first priority, then if things fall into place, Melbourne is definitely an option. Robson has matured both physically and mentally and I'm not worried about the travelling as he showed me he was a phenomenal traveler when we went down to Addington for the Amazing Chase."

It was an afternoon to remember for Peter and Wendy Ferguson, as aside from their Waterloo Cup victory, they also prepared two other 527m winners, Keysile and Sakichi. Keysile was solid in the manner that she won the Sandown GRC Stakes, which was the main 527m support race. She came away during the run home to win her assignment in 30.75s.

Earlier, the promising young chaser Sakichi prevailed when winning his C2 527m race in 30.90s.

"To train three 527m winners on the same race card is reward for those who work back at home. Wendy, Dylan (son), Danny (Laing) and Jamie (Pruden) all work in as a team – these wins are full credit to them. I also need to acknowledge Greg Hore. He set us on the training path and he has sourced us greyhounds from Australia, which he did with Robson when Greg arranged the sale with Gary Williams in Perth who sold him to us," added Ferguson.

### Dyna Weslyn

On Thursday October 3 Canterbury trainer Craig Roberts loaded his classy stayer Dyna Weslyn into her travel cage at Christchurch Airport. Her destination was Sydney. Her mission, the A\$100,000 to-the-winner Sydney Cup over 720m at Wentworth Park.

The plans for her future after this assignment – retirement into the breeding kennels operated by Paul Wheeler.

Dyna Weslyn had concluded her outstanding racing career in New Zealand. When she flew to Sydney, neither Roberts nor her owner Brendan Wheeler was aware that on Saturday October 19 she was going to be crowned as the 2018/19 New Zealand Greyhound of the Year.

Nature took its turn three days after Dyna Weslyn arrived in Sydney when she came into season. That confirmed her immediate retirement and entry into the breeding kennels.

"I was absolutely dumbfounded when I got the call to say she was in season. I was only hours away from flying to Sydney to finish her preparations for her Sydney Cup heat," explained Roberts.

Let's take time reflect on the fantastic 45 race career record that Dyna Weslyn compiled which led to her claiming greyhound racing's ultimate accolade. Craig Roberts picks up from the start. "She was a timid little thing who wouldn't chase an inch when arrived here – she came a hell of long way since then! Once we qualified her, she quickly hit her straps when racing up the grades.

"We always knew Weslyn had staying ability and she easily won her first distance race (Addington 645m)."

Craig was spot on with that assessment as she quickly went onto lower the Addington 645m track record when clocking her smart 37.68s gallop. Her first Group race title followed which was in the time honoured Kingston Cup over 732m at Group 2 level.

A Victorian staying campaign followed which included a pair of stylish 725m wins at the Melbourne based The Meadows track.

Dyna Weslyn returned home where after finishing second in the Group 1 Wanganui Distance (755m) she went on to win the Theresa McDonald Memorial at Cambridge over 747m at Group 2 level.

She then comprehensively rewrote the Addington 732m track record when she blazed through her assignment in a quick 42.65s.

The crowning pinnacle in her career was delivered when she nailed her action packed \$100,000 Duke Of Edinburgh Silver Collar victory over the demanding 779 Manukau journey.

It was back to Addington for Dyna Weslyn where she successfully annexed her second Group 1 title when

stylishly taking out the New Zealand Stayers Cup over 732m.

Her 2018/19 season yielded her 26 wins which contributed to her also being named as the 2018/19 NZ Stayer of the Year.

"Dyna Weslyn was the complete professional greyhound. She was a fantastic dog to train, always gentle and the best behaved dog in our kennels. On the track she loved the competition – she had brilliant ability. She will make a fantastic mother and I believe she'll follow in the paw steps of her mother (the very smart Xylia Allen)," advised Roberts.

Roberts rated her Addington 732m track record right up there as a career highlight. "That record had stood for a very long time and it was extremely satisfying to see her break that. Obviously her Silver Collar win was very special as was her NZ Stayers Cup win.

"Dyna Weslyn was just a sensational greyhound – she sure was an excitement machine on paws. In fact she means so much to us that Angela (Washington, partner) and myself are going over to Paul's place to catch up with her again – we both have great affection for her."

Dyna Weslyn enters the next phase in her life as the winner of 27 races. She placed on a further seven occasions (all seconds) which saw her career stakes earnings finishing up at \$165,075.

Pawnote: Dyna Weslyn received a much sought after invitation to nominate for the A\$75,000 to the winner

TAB Topgun Stayers 725m event at The Meadows track in Melbourne. Obviously her invitation has been declined.

Her classy kennelmate Dyna Dave has also received an invitation to nominate for the A\$150,000 to the winner TAB Topgun, raced over 525m at the same venue. The Peter Ferguson trained Waterloo Cup winner Robson has also received an invitation to nominate.

Both Group 1 races will be contested on Saturday November 9.

# 2019 Awards Highlights

The 2019 Awards dinner was held in Wellington on Saturday 19 October. Throughout the evening we celebrated the top people and greyhounds of our sport.

Steve Davis served fantastically as our MC for the evening and John Allen, the CEO of RITA, gave a incredibly passionate speech about the agency's performance over the past year and updates regarding their transition.
