Consistency of dress:

Trackside coverage is the greyhound racing window to well over 100,000 people in Australia and New Zealand. The dress standards maintained by handlers and/or catchers in our Code are the envy of many others. It is critical that these standards are maintained at all times.

Note: Club specific additional rules may be approved by the Board of GRNZ

Licensed Persons are reminded that under Rule 87.1(y) it is an offence to fail to comply with Board's dress standards or Rule 87.1 (p) disobeys or fails to comply with the lawful order of a Steward or other Person having Official duties in relation to Greyhound Racing.
