

THE AMAZING CHASE TERMS AND CONDITIONS 2021

To be run at the Host venue Manukau Stadium on Sunday 13 June 2021 over 527m.

Race conditions:

The Amazing Chase is an Invitation race:

- The Amazing Chase shall be open to all greyhounds graded C1 and above who are registered to race in New Zealand at Noon on Wednesday 12 May 2021.
- Entries will close with Greyhound Racing New Zealand (GRNZ) at Noon on Wednesday 12 May 2021.
- A donation of \$200 in respect of each greyhound entered is payable BEFORE the closing date (being Noon on Wednesday 12 May 2021). This donation will go towards the charity selected by GRNZ.
- The entry form can be emailed to racing@grnz.co.nz and the donation paid to GRNZ with payment referenced as "Amazing" and Trainer's surname.
- The entry form can be located via the link in The Amazing Chase advisory on www.grnz.co.nz or from the Secretaries office at any of the three participating clubs, Auckland GRC, Wanganui GRC or Christchurch GRC.
- No late entries shall be accepted in any circumstances.
- An entry may be withdrawn prior to the closing date, and in these circumstances, shall be entitled to a full refund of the \$200 donation paid.
- Withdrawals on and after the closing date shall not be entitled to a refund of the donation under any circumstances.
- Any such withdrawals must be advised directly to the GRNZ Racing operations team, not the club.
- There is no limit to the number of greyhounds who can be entered as long as each entry is accompanied by the \$200 donation.
- Each greyhound will be entitled to one solo trial for Amazing Chase qualification purposes at any of the three venues (Addington 520m, Manukau 527m or Hatrick 520m).
- If the greyhound qualifies as one of the 'quickest two' for the Final at more than one track it shall be considered as an entry from its track located in the Region in which it is normally domiciled. In which case the next highest quickest qualifier at the other track will gain selection.

The solo trials shall be conducted in accordance with the following conditions from Thursday 13 May 2021 until and including Sunday 6 June 2021.

- Notification must be given to the relevant Club at least 48 hours in advance of the solo trial.
- Solo trials can only be undertaken on a raceday and can jump from any starting box selected by the trainer.
- All solo trials must be conducted before the race meeting at each venue and the track is required to be groomed between each of the solo trials.
- If the Club is forced to cancel the trial for any reason, the qualifying solo trial may be rescheduled
- If after scheduling their solo trial the trainer withdraws the greyhound there will be no penalty, but the trainer will not be able to reschedule the trial.
- When assessing the quickest qualifiers at each of the three venues, all race times during the qualifying period (including placings) will be considered, in addition to any solo trial times referred to above.

- All qualifying times (both race and solo trial) will be electronically timed. In the event of any timing system malfunctions or disputes, both Trackside and Formpro will be referred to, and their decision on times will be final.
- Greyhounds solo trialing will be identified, weighed and undergo normal raceday veterinary checks and may be subject to being swabbed.

Final field will be:

The final field shall comprise the eight (8) fastest greyhounds entered, based on race times recorded at Manukau Stadium, Addington Raceway, and Hatrick Raceway, and/or solo trial times recorded at the same venues from **13/05/2021 to and including 06/06/2021** (the qualifying period).

In particular, the final field shall comprise the following:

- The quickest two (2) entered greyhounds at each of Manukau, Addington, and Hatrick;
- The third quickest qualifier at the Host Venue, Manukau;
- The greyhound drawn by ballot under stipendiary steward supervision from the third quickest qualifiers from Hatrick and Addington.
- Two reserves, which shall be the loser of the ballot draw referred to above and also the fourth quickest qualifier from the Host Venue.
- In the event of any identical times at each of the three venues, a ballot shall be conducted where necessary
- The final field will be declared following the final trial/race sessions on Sunday 6 June 2021.
- Withdrawals for the Amazing Chase close on Monday 7 June 2021 at 9.00am
- A manual box draw for the final will be conducted on Trackside on Monday 7 June 2021 under RIU supervision.
- If there are more than two scratchings from the final field, then any remaining greyhound in a match race will be required to race solo against the clock.
- These Special Conditions are part of an approved Schedule for the 13 June 2021. Any changes to an advertised Schedule is covered by the Rule 18.7.

The Amazing Chase

The race will comprise four (4) match races, with two greyhounds per match race.

Match races will run as per the Box Draw; i.e. 1 vs 2, 3 vs 4, 5 vs 6, 7 vs 8.

Greyhounds will jump from Box 1 or Box 3 (odd numbered greyhounds from Box 1 and even numbered greyhounds from Box 3).

In the event of a scratching(s), the reserve runner(s) shall take the place of the scratched greyhound(s).

The overall winner shall receive \$25,313, the overall second place-getter shall receive \$10,575, the overall third place-getter shall receive \$6,413, and the overall fourth place-getter shall receive \$2,699, all other competitors finishing fifth through eighth shall receive \$1,000 .

There will be a breeder bonus of \$1,000 paid to the breeder of the fastest New Zealand bred greyhound once times are confirmed.

The overall winner of the race will be the greyhound with the fastest official time, with overall placings decided in ascending time order.

GRNZ will reserve the right to not proceed with the Amazing Chase if nominations do not reach 20.

The race will be penalty free.

Oversight committee (race complaints, anomalies, queries, verification of final field etc.)

Michael Dore (Chair), Robert Death, Tony Music, Venessa Trass, RIU Stipendiary Steward.
