September and October Schedule

The schedule for September and October can be found starting on page 14 of this issue.

Bago Bye bye

CE Update
Meet Glenda Hughes, our interim Chief Executive.

Best friends trained to save lives
Merenia Donne is passionate about dogs and loves to promote special relationships between animals and humans.

Pg 6 - Racing Action Wrap
The season’s wrap on those outstanding Group 1 greyhound races throughout 2018/19.
Spring is finally here, and it’s certainly been a busy month at GRNZ since the last issue of On Track. We have farewelled Mauro and welcomed our new CEO, Glenda Hughes, who is settling in nicely. (Get up to speed on all Glenda’s achievements by reading our profile on Page 4).

In addition, we have also welcomed our new Rehoming Manager, Candice Robbins-Goodman and Marketing Content Specialist, Lisa Jaques. Lisa will also take over as On Track Editor in due course.

We are well and truly into our 2019/2020 season, and in his Racing Action Wrap on page 6, Peter gives us a run down of the highlights of last season, including all the details of the Amazing Chase.

We also introduce the amazing Kotuku Foundation on Page 17, a charity that trains dogs to recognise a number of life-threatening conditions in humans and raise the alarm. This is an inspiring and heartwarming read.

The annual GRNZ Conference & Awards is getting closer. If you haven’t already, make sure you book tickets to our biggest event, and join in to celebrate our industry’s successes - we hope to see you there!

Kind regards

ELIZABETH LINCOLN, EDITOR
Welcome to our new Chief Executive

The GRNZ team is thrilled to welcome Glenda Hughes as our interim Chief Executive, following Mauro’s departure last month.

With the recent passing of the Racing Reform Bill, which saw the formation of the Racing Industry Transition Agency (RITA), and further significant change planned including legislative impacts, our organisation needed a strong leader who could step in and secure the best outcome for greyhound racing. Glenda is a natural choice for this role.

Glenda chaired the Board of the NZ Racing Board, (now RITA) for six years and has an in depth knowledge of our industry. In addition to this, she has packed a huge variety of roles and interests into her career to date.

For 18 years, Glenda was a police officer, taking on some high profile roles such as security for Princess Anne during her 1979 royal visit. At 37 she left the police and moved into media, where she worked as a talk show host on Radio Pacific, and a producer at TV3, and then became involved in sports management. Glenda has managed a number of high profile sportspeople such as former All Black Tana Umaga, Olympian swimmer, Danyon Loader and equestrian Mark Todd. She is also a Trustee of The National Army Museum in Waiouru.

Nowadays, as well as having taken on the interim CE job at GRNZ, Glenda is a member of the Parole Board, one of the founders of Pet Refuge and a trustee of KidsCan, a charity that aims to provide food, clothing and healthcare to children in need. She also is a guest lecturer in marketing, communications and change management at several universities.

GRNZ extends a warm welcome to Glenda and we look forward to her leadership in the coming months.
We celebrate and respect our greyhounds, their contribution to New Zealand history and their love of racing. We enjoy the camaraderie and passion of our sport, and we love our dogs, who are born to run.
Racing Action Wrap

2018/19 Group 1 Greyhound Roll of Honour

It was a compelling season of Group 1 greyhound racing throughout the 2018/19 racing season. It was also fitting that there was absolute quality chasing action in all of the events conducted nationwide at the elite racing level. Here’s the season’s wrap on those outstanding races.

$30,000 Palamountains Nutrition Wanganui Cup – 520m Hatrick Raceway, Friday August 10

The Lisa Cole-prepared Bigtime Paddy confirmed that he is the consummate canine athlete by his stylish victory in this event. The Wanganui Cup was billed pre-race as a potential two dog match race with the Angela Turnwald-trained Nature’s Gent exiting from his preferred trap one draw.

Racing around the first turn, Bigtime Paddy held the rail. Entering the back straight he slipped clear, while Nature’s Gent was improving steadily along the rail. He was slowly closing the gap between the pair of them and it looked race on from there.

Bigtime Paddy was having none of that, as seen when he maintained his solid gallop around the home turn and during the run home, which saw him claiming the Wanganui Cup title after 29.99s of hard-out chasing.

Nature’s Gent kicked on stoutly when he completed his task two lengths behind Bigtime Paddy. He was rewarded with his second placing for his conditioner Lisa Cole, while the Dave and Jean Fahey-prepared Egomaniacal arrived home another 2.25 lengths behind in third.

“Winning the Waterloo Cup again is absolutely huge. Pinny Mack is such a cruisy dog. He’s the perfect greyhound in every way,” said Clark about the fourth Waterloo Cup winner he has mentored.

“I have never experienced a sensation like this in 40 years of being involved in the racing industry. It is the greatest thrill of my life,” ecstatic owner Dudley Parker said.
$125,000 Christchurch Casino New Zealand Cup – 520m Addington Raceway, Thursday November 15

When it comes to Group 1 racing, and more specifically the New Zealand Cup, you don’t have to look any further than the Canterbury-based kennels operated by Dave and Jean Fahey. On this occasion the couple produced their eighth New Zealand Cup winner.

Bago Bye Bye has been a sensation after entering the Fahey kennels. He maintained his red hot form when he strongly out-finished his race rivals to secure his NZ Cup title in 30 seconds flat.

Initially it was the Lisa Cole-prepared Blazin’ Carter who pinged away from the 520m traps to set up the early pace. Bago Bye Bye settled just in behind. Heading into the final turn it was very apparent that Bago Bye Bye had his rivals covered, and so it proved when he powered up the Addington straight to nail his biggest career victory by a 1.25 length margin.

Dyna Dave had settled in the rear group. From there the Craig Roberts-trained chaser improved to be midfield going down the back straight. He unleashed during the run home which saw him striding into the runner up spot. Kicking back solidly was a brave Blazin’ Carter who held onto the third placing.

“We’re very proud of Bago Bye Bye. I thought he had his rivals covered at the end of the back straight. I was told when he arrived that he is a very quick greyhound – he has certainly proved that to us,” commented Dave Fahey about the still current 29.59s Addington 520m track record holder.

$35,000 The Fitz Sports Bar Galaxy Sprint – 295m Addington Raceway, Thursday November 15

The Galaxy Sprint was billed as a battle between the speed merchants, and so it was proved. When the traps lifted for the elite 295m dash, it was the Dave and Jean Fahey-prepared race favourite Sheza Rippa that was first sighted.

Pushing up strongly underneath her was the well supported Sir Duggie for Lisa Cole.

Pressing forward around the outer was the Alison Lee trained Chitina Tin. Sir Duggie seized the race lead and he was never headed cruising to his win in 17.05s.

Sheza Rippa refused to flinch, and she kicked solidly when going under by just three quarters of a length.

Chitina Tin was bold in being the next to arrive home another 2.75 lengths astern.

“Duggie is a very sharp sprinter who is right up there with our other Galaxy winners (Black Tie and Hifi Allegro),” confirmed Brendon Cole.

$46,000 Spion Rose Cup – 520m Hattrick Raceway, Friday December 7

It was always anticipated that the Spion Rose was going to be decided during the initial rush for early positions, and so it proved. Seizing the early rails position was the Angela Turnwald-prepared Nature’s Gent, and he led the field into the all-important first turn.

Nature’s Gent was in total control when rounding that turn. Pressing forward to get handy to him was his kennelmate Diddilee. The only Kiwi bred finalist in the field Idol Dude was within striking distance for his conditioner Marcie Flipp.
Nature’s Gent let rip during the run home to secure this Group 1 title by a comfortable 4.5 length margin, clocking a tidy 29.96s. Diddilee maintained his strong gallop to claim his runner up posie, while seizing on the opportunity presented in home straight jostling was Idol Dude who dashed through along the rail to nail the third placing a further 2.25 lengths behind.

“We knew Nature’s Gent had a slight issue which we worked on – what we didn’t know was if we had rectified the issue and the only way we were going to find out was when the pressure when on him during the race. He responded brilliantly,” confirmed the trainer’s partner Paul Freeman.

Nature’s Gent is raced by The Bookie & Us syndicate. “We have complete and total faith with the training skills of Angela and Paul. We’re privileged to be part of their success and for that we thank them very much,” commented syndicate member Kevin Brady.

$30,000 Hatrick Classic – 520m Hatrick Raceway, Friday January 25

Nature’s Gent just keeps on stepping up to the mark when it comes to Group 1 racing. He’s a tradesman-like chaser who gets the job done. He displayed that attribute when he stylishly prevailed in the Hatrick Classic and in doing so the Angela Turnwald prepared greyhound landed his third career Group 1 victory.

Nature’s Gent shot straight into race favouritism when he was allocated his favoured one trap to race from in the decider. As usual he wasn’t exactly the quickest into stride when the Hatrick 520m traps lifted.

Nature’s Gent held the rail when rounding the first turn and he set off after the freewheeling pace settling Lisa Cole-prepared Trojan Hoarse when streaming down the back straight. He had to move away from the rail when rounding the final turn and that proved to be the winning tactic when, after seizing control of the race lead early in the run home, he gallantly held on for his 30.05s victory.

Absolutely rocketing home late was the luckless Craig Roberts-prepared Dyna Dave. His effort to nail his half length second placing was massive after he was impeded when he was in the rear group going into the first turn. Trojan Hoarse was gallant when he held on for his third placing another half length behind.

“I thought he was a bit of a turkey going into the first turn when he briefly moved off the rail. Then I thought he was in trouble going into the home turn when he initially wasn’t moving away from the rail. It was pleasing to see him going around the pacemaker. Even then I thought he was going to be caught, and from where I was I didn’t really know if he had won it,” commented Paul Freeman.

$30,000 Active Electrical New Zealand St Leger – 520m Addington Raceway, Thursday February 7

“Diddilee has adapted unbelievably well to the Addington track,” commented Paul Freeman about the greyhound who provided his Foxton based training partner Angela Turnwald with her third straight Group 1 training victory for the season after he stylishly took out the NZ St Leger final at the elite level over 520m. Freeman’s comment came when Diddilee made it three consecutive 520m race wins at the Christchurch headquarters.

It was the Dave and Jean Fahey prepared Opawa Viking who displayed early pace when he won the break from the 520m traps and he held a reasonable lead heading into the first turn.

Diddilee motored into a clear second while racing down the back straight and he boldly set off after the freewheeling pacemaker. It remained that way until the run home, where Diddilee slipped underneath Opawa Viking to kick clear to secure his biggest career victory by a length margin.

Opawa Viking gamely held for his second placing and in doing so he secured the Breeders’ bonus payment for his owners and breeders’ the Opawa Racing team that is paid to the first New Zealand bred greyhound to finish in a Group 1 event.

The Faheys had qualified four finalists and it was Von Strass who extended strongly during the run home to claim the third pacing a further four lengths behind his kennelmate Opawa Viking.
$90,000 Auckland Cup – 527m Manukau Stadium, Sunday March 3

The phenomenal Group 1 training successes enjoyed by the Foxton based conditioner Angela Turnwald, along with her partner Paul Freeman, carried on at the Manukau Stadium when she mentored Diddilee to his stylish victory in the Auckland Cup final over 527m.

It was a stunning effort by Diddilee just to get up and secure his biggest career win. It was only over the final few strides in this hotly contested final that the victory was cemented, as Diddilee snatched his second successive Group 1 title.

Settling towards the rear of the field during the early rush for positions along the rail was the eventual winner Diddilee. Another of the favoured contenders, Pinny Mack, wasn’t in early contention for his trainer Steve Clark at this stage.

Streaming down the back straight it was the Lisa Cole-prepared Blazin’ Carter and Ringside from the Ray Adcock kennels, who were contesting the pace. Mounting a sustained gallop around the outer and quickly improving was Pinny Mack, while back in the field Diddilee was commencing a weaving gallop.

Ringside had wrestled the race lead away from the other contenders when turning for home and he look set for Auckland Cup glory, when all of a sudden Diddilee propelled himself at Ringside and the momentum he had gathered saw him powerfully extend. In doing so, he won the Auckland Cup after 30.52s of intense chasing.

The strength of Diddilee’s finish saw the official margin being declared at three quarters of a length. Ringside was very brave when clinging onto his second placing, as was Pinny Mack for his third place with a length separating this pair.

“It was almost as if Opie Bosson was riding him when you look at the way he improved taking gaps when going down the back. Then during the run home, Diddilee made all the right calls when he perfectly picked the gaps. He is one of those rare greyhounds who can burn at both ends of his races,” said Paul Freeman.

$30,000 Qualified Pet Services Railway Sprint – 318m Manukau Stadium, Sunday March 3

Short course sprinting is all about mistake-free racing, especially at the elite level. The ultra-consistent Manukau sprinter Just One Smile was deservedly rewarded for using those healthy racing tactics when she led throughout to stylishly win the running of the Qualified Pet Services Railway Sprint.

It was the white racing vest worn by the Ben Craik-trained Just One Smile, that was first sighted when the Manukau 318m traps lifted. From that point she controlled the pace for the balance of the 318m dash, scampering clear to secure her biggest career win in 18.37s by a comfortable two length margin.

Lisa Cole held a vice-like grip heading into the decider, after qualifying three finalists. Sir Duggie was warmly favoured to annex the NZ Group 1 sprinters double after having won the The Fitz Sports Bar Galaxy Sprint in November. Unfortunately injury intervened and he never featured during the dash.

Lisa Cole held a vice-like grip heading into the decider, after qualifying three finalists. Sir Duggie was warmly favoured to annex the NZ Group 1 sprinters double after having won the The Fitz Sports Bar Galaxy Sprint in November. Unfortunately injury intervened and he never featured during the dash.

His kennelmates Bigtime Wendle and Bigtime Pete started from the outside two traps and they were required back at the podium in that order following the sprint. Bigtime Wendle broke quickly from her eight trap draw and she boldly sprinted after the tear away pacemaker which saw her claiming the runners up prize. She held a 2.25 length buffer over her kennelmate Bigtime Pete.
However this sprint was all about Just One Smile, who cut out her first sectional in 4.56s, while she completed the run home in 13.81s. This daughter of El Grand Senor and Just Jordana also provided the Craik family and her owning Katcha Jordana syndicate with the Breeders’ bonus payment attached to this event for being the first Kiwi-bred greyhound to finish.

“I have some health problems these days and I’m not actively involved around the kennels,” said Ben Craik. The day to day running of the Drury based kennels is currently being looked after by wife Barbara, along with daughters Lisa and Tracy.

“The girls asked my advice about how to handle Jean (kennel name) during the lead up to the final – they listened and did a perfect job. They have been part of the team for years. They’ve picked up on my knowledge and I fully trust them with everything they do with our greyhounds,” added the long time greyhound conditioner.

$30,000 Wanganui Distance – 755m Hatrick Raceway, Friday March 8

It was a family photo shoot at the Hatrick podium following the running of the Wanganui Distance over the 755m staying test. The Matt Roberts-mentored Cawbourne Taylor came of age as an elite stayer when she dictated terms to her staying rivals by leading throughout to secure her comprehensive victory. Roberts was joined at the podium by his partner Sarah Clausen and their son Astle.

Cawbourne Taylor isn’t known for her early pace, therefore it was somewhat surprising to see her leading her rivals into the first turn. She was never seriously challenged for the race lead from that point as she cruised through the balance of her assignment to land her biggest career title after 45.47s of hard out chasing.

The warm $1.70 race favourite Dyna Weslyn had settled in an initial midfield position for Roberts’ father Craig. She gradually improved her field position from where she finished a close up second, however she was judged to be a length behind at the finish.

Delivering a competitive effort in just his second staying outing was the Angela Turnwald-prepared Hot Platter, who hopped in from off the reserves bench. It was a gallant effort from him as he kicked on stoutly after racing handy to the pace for his third placing, a further three quarters of a length behind.

“To me training Group 1 staying winners is the ultimate result. She had been racing well and I couldn’t wait to get her back up over the 755m distance. I was surprised when she set the pace and led throughout, as I had expected her to take an early sit.

Sarah advised that their son has been a good luck charm for the couple. “I only found out I was pregnant days before Cawbourne Taber won the (2018) New Zealand Oaks for us and now having Astle here for this Group 1 win is a moment for us to savour.”

$46,000 Mike Stent Decorators New Zealand Derby – 457m Cambridge Raceway, April 18

It was a hat trick of New Zealand Derby training victories for the nation’s leading greyhound trainer Lisa Cole when she produced Trojan Hoarse to annex the New Zealand Derby title at the Cambridge Raceway during the Waikato club’s massive Easter Eve meeting.

It’s fair to say that this edition of the NZ Derby was a keenly, while at times a roughly contested Group 1 event. Trojan Hoarse is a known on the pace chaser, who is raced from the Cole kennels by long time kennel client Craig Rendle. He has qualified for a number of Group race finals by using his pace. He
has contested the early in pace in a number of them, however he wasn’t able to round off those efforts – that was until this event.

It was a different scenario in this blue ribbon final when Trojan Hoarse won the break from the six trap. He was joined by others in what turned into a jostling dual going into the turn. The Peter Ferguson-prepared race favourite Robson cannoned into the rail, then bounced back to carry on with the race.

That enabled Trojan Hoarse to build a buffer over his rivals, although emerging from the jostling was the other strongly favoured contender Thrilling Talk from the local Karen Walsh kennels. They broke away from the other finalists when turning in for the long grind up the Cambridge straight.

Momentarily, Thrilling Talk took the race lead on the rail, however Trojan Hoarse was having none of that as he rallied strongly to snatch back the race lead which then transposed into his gutsy 26.01s Group 1 victory. The race time was a more of a reflection on how the race was contested.

Thrilling Talk kicked on gamely to finish a quarter of a length behind, while Robson was gutsy in the manner that he finished strongly for his third placing just another half a length behind.

“Trojan Hoarse is a very fast greyhound from a very consistent litter. I was astounded when he came back after clearly being headed. I’m absolutely thrilled for Craig (Rendle) who has loyally stuck by us. “It’s also very pleasing and satisfying to breed winners of races like the New Zealand Derby,” stated Brendon Cole who was proud to be at Cambridge with daughter Ella, along with sons Max and Sam.

Craig Rendle has made a substantial investment in breeding greyhounds. Until recent years he didn’t have a great deal of success at the elite level. Bigtime Paddy then came along and the 2017/18 New Zealand Greyhound of the Year stylishly prevailed in last year’s NZ Derby final.

“I view Trojan Hoarse’s Derby win as a success for New Zealand breeding. To secure back-to-back NZ Derby wins is very rewarding from a breeding and racing perspective. Trojan Hoarse was due his Group 1 win and it certainly was reward not only for him, but also for the Cole team and their strong work ethics,” advised Rendle.

$46,000 The Fitz Sports Bar New Zealand Oaks – 520m Addington Raceway, 18 April.

When it comes to New Zealand Oaks racing, you firstly look for girls trained by Dave and Jean Fahey, then you seek out girls who were bred and are raced by the Opawa Racing team. Because it was the Faheys who trained the New Zealand Oaks trifecta and sure enough, the first two girls to finish were bred and raced by Opawa Racing.

For Dave and Jean Fahey this NZ Oaks win, which was very stylishly delivered by Opawa Hop, was their sixth training success in this national Blue Ribbon classic final. And it was the fourth occasion that the Faheys have now mentored a New Zealand Oaks winner for Opawa Racing at the Addington Raceway.

Opawa Hop has always been held in high regard by those involved in her race preparations and she was loaded away into the two trap. This daughter of Fabregas and Opawa Stella bounced away quickly from that trap and that basically was this edition of the NZ Oaks all done and dusted at that point.

Opawa Hop cruised through her 520m assignment to clock a respectable 30.01s, winning her Group 1 title by a comfortable 3.5 length margin. Her kennelmate Go Glow stepped away from the ace trap from where
she gamely set off after the freewheeling pacemaker. It was a bold effort from this half-sister of the winner, to claim the runner up prize.

Next was the Fahey-prepared third placed runner Gem. She settled back in the field then copped a degree of jostling going into the first turn and again when rounding the home turn. She then extended strongly to unleash a powerful finish which carried her to her third placing 3.75 lengths behind the runner up.

"It was good when I saw her hop out in front and lead around the first turn. I thought then that only Go Glow could get close to her, but she couldn’t close the gap. Opawa Hop owns a fair amount of potential, especially as she’s probably the smallest greyhound (25.2kg) we have trained.

Jean Fahey also commented "It was lovely tonight – especially with New Zealand bred bitches featuring. It just shows what quality we have and that is reflected in the breeding. It’s great to see the girls showcasing their ability, and we need more bitch only races like the NZ Oaks."

Robin Wales, along with his long time mate Graham Campbell, has featured with Opawa Racing since the inception in the early 2000s. They also reflected on their recent lost mate Ron Todd, or Toddy as he was affectionately known to all.

“Unfortunately Toddy wasn’t with us tonight, however as far as Graham and I am concerned this win very much belongs to him," said Wales.

He then went onto to acknowledge his staff back at Opawa Racing’s Sefton based kennels.

“This win was very much their achievement. It was great that they were all here to enjoy Hop’s win and Glow finishing second. They have all worked with the girls and this is a great result for their dedication.”

---

$30,000 New Zealand Futurity – 520m Hattrick Raceway, Friday 10 May

It was a huge 24 hour period for Tirau-based conditioner Karen Walsh, along with breeders and owners Gary and Linda Harding, with their hugely successful racing operation enjoying more Group 1 success with Thrilling Talk. He secured his deserved elite title when winning the New Zealand Futurity title. The previous day they watched their greyhound Thrilling Amigo shatter the Cambridge 457m track record (24.96s).

The “Thrilling” prefixed kennel has enjoyed considerable success over many years. A strong breeding program ensures a steady flow of quality greyhounds are bred by the Hardings, then reared and conditioned by the nation’s leading strike rate trainer Karen Walsh.

Thrilling Talk is just one of those high class greyhounds who took his first steps in Tirau. He identified himself as a very talented chaser right from the commencement of his racing career.

Walsh loaded her charge Thrilling Talk away into the Hattrick 520m three trap from where the $2.20 favourite came away nicely to attend the early pace. The second favourite Bigtime Rod pushed up along the rail to place himself handy to the pace.

Thrilling Talk slipped clear when entering the back straight and that tactic proved to be the winning move as, although Bigtime Rod came at him strongly late in the piece, Thrilling Talk held by a three quarter length margin over Rod, stopping the clock in 30.15s.

There was an 8.75 length margin back to the third placed Diddilee, who charged home late after being tangled up in early traffic. The only Australian-bred finalist returned to the podium for the fourth occasion at Group 1 level this season for his conditioner Angela Turnwald.

“Talk showed what he's capable of delivering in the Futurity. I was quietly confident that he would hold on when he jumped into the race lead. He didn’t muck around, using catch me if you can tactics. He has been a very consistent greyhound who thoroughly deserved his Group 1 win.

“Gary and Linda (Harding) were over the moon with Talk’s win. They get a great thrill watching the greyhounds they have bred racing and more especially so at the top level. They have been and are very committed to their greyhounds," said Walsh.

This was Karen’s third NZ Futurity training success, while for the Hardings it was their fourth NZ Futurity win.
$100,000 Duke Of Edinburgh Silver Collar – 779m
Manukau Stadium, Sunday June 9

The 49th running of the prized Duke Of Edinburgh Silver Collar turned into a real cliffhanger. The Craig Roberts-trained hot race favourite, Dyna Weslyn, appeared to be cruising to victory in the 779m staying test. That was until about 50m from the judge when the giant sized stayer Shooters Hill rocketed home late, closing down the margin to just a head.

It was yet another action-packed running of longest greyhound race annually held in Australasia over the extreme 779m race distance. The great race attracted keen interest on both sides of the Tasman. 98 year old Prince Phillip, the Duke Edinburgh, would have been proud watching this year’s race, for which he donated the solid Silver Collar.

As expected it was the hot $1.40 favourite Dyna Weslyn who bounded straight into the early race lead. There was a degree of jostling in behind her as the field headed into the first turn. Dyna Weslyn was lonely, reveling in her work with a lap of the track to run.

Pushing up to chase after the pace setter a fair margin behind was the Gerry O’Keefe, Victorian trained Billy’s Bake, while also improving their field positions when passing the 318m/779m traps was his kennelmate Vandagambo and Shooters Hill for his conditioner Sam Lozell.

Shooters Hill was sighted putting in some huge strides when rounding the final turn. All of a sudden the margin rapidly closed in, however Dyna Weslyn gamely clung on for her gutsy victory by that head margin, clocking 46.48s. He was super gallant in claiming the runners up prize, while kicking on stoutly for his third placing another 3.75 lengths behind was Vandagambo.

“I was really relieved when the line came up. From where I was standing I wasn’t sure if she had held on. Luckily she had enough left the tank to nail the win. Weslyn is a special wee dog, the complete racing package. She handles everything that’s thrown at her and I’m so proud and privileged to train her,” commented Roberts.

23 year old Sam Lozell was pinching himself back at the podium after the super effort put up by Shooter’s Hill. He wasn’t even born when his recently deceased grandfather Max Mathews trained Cuties Sister to win the 1995 edition of the Silver Collar.

“Having a runner in the Silver Collar final has always been a dream for me ever since I was a kid. I was absolutely stoked to have Shooters Hill on the podium afterwards,” stated Lozell.

Melbourne greyhound commentator James Van de Maat, who was the breeder and is a part owner of both Vandagambo and Billy’s Bake, made a quick trip across the Tasman. “That was great effort by the boy. It was fantastic to be part of such a prestigious race and I’m really pleased we made the trip across here - we were extremely well looked after,” said Van de Maat, who also called two of the support races on the card.

$46,000 New Zealand Breeders’ Stakes – 520m
Hatrick Raceway, Friday June 14

It was another well-deserved victory for Trojan Hoarse when he annexed the New Zealand Breeders Stakes at the Hatrick Raceway.

Back in April the Lisa Cole-prepared Trojan Hoarse led the New Zealand Derby field all the way. His known early pace is a distinct asset when racing at the top level and again it was his ability to pick the jump and hop straight into the early race lead that set up his NZ Breeders victory after he exited from the three trap.

He defied the strong field of New Zealand bred greyhounds to run him down – they couldn’t as this Craig Rendle owned son of Fernando Bale and Ocotillo dictated the pace to his rivals which saw Trojan Hoarse gamely hanging on to claim his second Restricted Age Group 1 title by a half-length margin when completing his 520m assignment in 30.54s.

The winner’s kennelmate Bigtime Brody boldly chased after the pacemaker throughout and he pressed on solidly to secure his biggest career stake when finishing as the runner up.

Thrilling Talk displayed track sense when he stylishly overcame his tricky five trap draw to slot himself into a handy enough position from where he kicked on solidly when finishing another 1.75 lengths back in third place for his conditioner Karen Walsh.
“I’m thrilled with the result. Breeding the quinella in the NZ Breeders Stakes is extremely satisfying. I’m also very happy for our long time kennel supporter Craig Rendle, who thoroughly deserves this win,” advised Brendon Cole.

“This win is a credit to the hard working staff we have back at home.”

The NZ Breeders’ Stakes win was a surreal moment for Georgie Cole, as Trojan Hoarse turned into the first Group 1 winner that she has personally handled herself. “This is pretty exciting – I was nearly in tears when Trojan won the race,” she said.

“This win is a result of quality breeding and strong work ethics,” stated Craig Rendle. “It’s great to see the girls (Georgie and Ella Cole) stepping up and lead from the front at the track. It means so much watching and benefiting from the dedication of the whole Cole team – their success is just reward for the hard yards they put in.

“Trojan Hoarse has the uncanny knack of picking his race starts 95 times out of a 100. He is so balanced in the traps – freakish in the way he picks the jump so consistently. He also seems to have developed a second wind during the run home at the moment after having being picked up over the later stages earlier in his career.”

$30,000 Christchurch Casino New Zealand Stayers Cup – 732m Addington Raceway, Friday June 28

Easy as 1,2,3 was the name of the game for the Christchurch Casino NZ Stayers Cup as Dyna Weslyn trained by Craig Roberts claimed an effortless victory over her rivals. The hot $1.60 race favourite was in cruise control when claiming her second Group 1 staying title within weeks by a comfortable 5.75 length margin.

It was game set and match for Dyna Weslyn from trap rise as she scampered clear from the five trap to seize the early race lead. It was a race lead that she was never going to relinquish as seen by her quick 17.18s 295m split time. Her freewheeling, pacemaking tactics saw her greeting the judge after 43.13s chasing action.

It sure was race on for the minor portions of the stake which saw the Dave and Jean Fahey-trained Opawa Hilary (who was a $51.50 win outsider) producing the race of her career when she gamely nailed the runner up prize. She clung onto second by the barest possible margin. Just that nose margin behind her in third was Perfect Result. He stoutly kicked on during the run home to secure his podium placing for his conditioner Ray Adcock.

“I was rapt to see Weslyn’s body in front of Opawa Hilary from the jump. When she went clear going into the first turn I thought you beauty – from there I knew she would put a gap on the others and I knew she had the race won with a lap to run. She’s the complete greyhound,” stated Roberts, who added “I also wish to acknowledge the help I get in the kennels from Angela (Washington – partner), plus Chris Milne and Pete Clausen,” added Roberts.
$60,000 Amazing Chase - 520m Addington Raceway, Sunday July 28

The relief for Canterbury trainer Craig Roberts was evident after his classy greyhound Dyna Dave finally secured a thoroughly deserved feature race victory when he emphatically claimed the third edition of the $60,000 Amazing Chase on his home Addington track on July 28.

Dyna Dave had to withstand another three 520m match races to confirm his win after he set the time standard with his smart 29.70s gallop in the first of the match races. The others couldn’t, even though they were sighted gallantly giving it everything they had.

Dyna Dave was deservedly installed as the hot $1.40 overall Amazing Chase favourite while he exited from his three trap draw as the hot $1.12 fav to win his match up against She’s For Us who is prepared by Roberts’ son Matt.

She’s For Us gave it everything when she led her opponent into and down the back straight. Dave was doing pace work in behind her and he made his move when he muscled up to her when rounding the final turn. From there he came away strongly to stop the clock in a smart 29.70s. Dyna Dave picked up a tidy $27,750m for his top effort.

She’s For Us recorded her tidy 29.91s clock and she ultimately was rewarded with the third placing overall.

Steve Clark flew south with his contender Pinny Mack. He fairly flew out of the one trap in his match to set a real demanding early pace over the Dave and Jean Fahey - prepared Isavana. It was a freewheeling gallop that Pinny Mack delivered as he was in cruise control when he easily took out his match, clocking a bold 29.79s and by doing so the second placing in this event.

It was an all northern region third match race with the Peter Ferguson-trained Robson taking on Jinja Might from the Jared Udy and Denise Cottam kennels. Jinja Might won the jump and he undertook the pace making duties. He set up the tempo down the back straight and it was when entering the final turn when Robson tried to take an inside passage. He checked off Jinja Might’s hind paws, was forced to steady and change ground.

Robson extended strongly during the run home and basically he outstayed his opponent when claiming his 30.06s match race win. His time was sufficient for the overall fourth placing.

It was a very competitive looking final match up which featured the Angela Turnwald-conditioned multiple Group race winning Nature’s Gent taking on the staying Dave and Jean Fahey-trained Alotta Talk. The pair came away from the 520m traps locked together, however it was Nature’s Gent who seized the lead going into the first turn.

He extended his margin going down the back straight, held a handy buffer when turning in for the run home, then he withstood the strong finish that Allota Talk threw at him to stop the clock in 30.15s.

“I was happy with Dave’s time and I was reasonably confident that his time would hold up. Yes I was closely watching the clock when the other three matches went around and I guess it was more a feeling of relief when Dave was confirmed as the winner.

“I was really pleased for him as finally he has won a major feature race - he really deserved it. I thought the whole event was really well run and I reckon match racing is a great concept,” said a happy Craig Roberts.

ATTENTION ALL TRAINERS. WE NEED YOUR HELP!

Massey University doctoral student, Anna Palmer, is currently conducting a study to investigate the training, racing and career longevity of racing greyhounds in New Zealand.

Part of this project is focusing on the current training practices of greyhounds in preparation for racing, and during their racing career.

In order to do this, a short survey has been designed to ask trainers about how they train their dogs and the type of facilities they use. All information provided by trainers will be anonymous and confidential.

Surveys will be sent to all licensed trainers during September 2019.

Please contact Anna Palmer on a.palmer@massey.ac.nz for more information.
Best friends trained to save lives

Merenia Donne is passionate about dogs and loves to promote special relationships between animals and humans.

In 2006, Merenia founded the Kotuku Foundation Assistance Animals Aotearoa (KFAAA), after her beloved German Shepherd Nikki had previously dragged her to safety following a car accident. Nikki subsequently contracted an incurable bone disease and passed away, prompting Merenia to found KFAAA.

“It broke my heart to think that Nikki had saved my life and I couldn’t save hers. I started the foundation in her memory, to foster special relationships between dogs and people.” Merenia said.

Nikki is one of only three dogs in the history of the Canine Heroes Awards to have posthumously received the Dogs NZ Canine Heroes Life Saving Award.

“Her Award ceremony in 2014 was, as you can imagine, an extremely poignant and bittersweet event for me.”

KFAAA trains dogs to recognise a number of life-threatening conditions in humans and raise the alarm. Diabetes, anaphylaxis and post-traumatic stress disorder (PTSD) are just a few of the illnesses these animals can respond to.

“We strive for ‘win-win’ outcomes with all our programmes and initiatives. A prime example of this is our world first award-winning ‘Heeling Hounds’ project, which teamed women from Womens’ Refuge with GAP Greyhounds to accelerate the dogs’ training and expedite their adoption.” said Merenia.

The project was a resounding success, with 100% of all participating Greyhounds rehomed before it even concluded, and impressive positive outcomes for the women.

KFAAA is generously supported by volunteers such as Janice Kirk, who is a trainer instrumental in the success of the ‘Canine Comrades’ programme for Veterans in association with the RSA. Janice is one of many who very generously give of their time and talent to support their work. She is also one of four KFAAA personnel to receive the Kiwibank New Zealander of the Year Local Hero Medal recognising their efforts for KFAAA.

Additionally, there is a large group of people involved and associated with the charity, including:

• Her Excellency Dame Patsy Reddy, Governor-General of NZ – Patron.
• Mark Vette, leading animal behaviourist, TV and film animal trainer – Vice-Patron.
• Craig Bullock - award-winning author and photographer - Ambassador.
• Specialist advisory team including WHO physicians, researchers and administrative experts.

BY ELIZABETH LINCOLN

Lola and Nina. Lola (left) is trained for both disability assist and canine assisted intervention roles and paid a pivotal part in the “Heeling Hounds” programme. She also acts as an “Ambassadog” for the charity. Nina is a Borzoi (or Russian Wolfhound) disability assist dog.
**SPECIAL CONDITIONS**

- Only one qualifying race will be run at each venue. In the event of a qualifying race being cancelled at one of the other venues the Auckland GRC has the right to stage two qualifying races.
- A greyhound can be entered for more than one qualifying race but can only compete in one of the four qualifying races.
- Qualifying races are to be scheduled as for Class 5 greyhounds with Class 4, 3, 2 and 1 greyhounds eligible.
- Qualifying races will be selected in accordance with the respective Club’s Selection Criteria.
- Greyhounds placed first and second in a qualifying race will qualify for the final.
- Nominators entering their greyhounds in qualifying races undertake to race in the Final in Auckland on the 6th October 2019 should their entries so qualify.
- Reserves for the Final will comprise the third place-getters from the qualifying races held at the Auckland GRC qualifying race on 29th September and the Waikato GRC qualifying race on the 26th September. The Auckland GRC has the discretion to allocate the first and second reserve.
- Should the withdrawal of a greyhound through injury from the Final and prior to the box draw occur the Auckland GRC reserves the right to select a replacement greyhound in order of qualifying places from the qualifying race in which the initial qualifier contested.
- The Box Draw for the Final will be conducted by the Auckland Greyhound Racing Club on Sunday 29th September 2019 at 4.30pm (approximately).

**WATERLOO CUP**

**QUALIFYING RACES**

**26TH SEPTEMBER 2019**
Christchurch Greyhound RC

**26TH SEPTEMBER 2019**
Waikato Greyhound RC

**27TH SEPTEMBER 2019**
Wanganui Greyhound RC

**29TH SEPTEMBER 2019**
Auckland Greyhound RC

**NOMINATIONS**

Please refer to race schedules for the closing day of nominations for respective venues.

**FINAL**

$35,000
GROUP1 - 527 METRES
Auckland Greyhound Racing Club
Sunday 6th October 2019

**STAKE ALLOCATION:**

1ST $16,800
2ND $7,000
3RD $4,200

Unplaced runners $200
Breeder of first placed NZ bred greyhound $1,000

**WATERLOO CUP QUALIFYING RACES**

- 26TH SEPTEMBER 2019
  - Christchurch Greyhound RC
- 26TH SEPTEMBER 2019
  - Waikato Greyhound RC
- 27TH SEPTEMBER 2019
  - Wanganui Greyhound RC
- 29TH SEPTEMBER 2019
  - Auckland Greyhound RC

**MELBOURNE CUP**

The winner of the Waterloo Cup will gain an exemption directly into a heat of the 2019 Melbourne Cup held at Sandown GRC on the final Friday 29th November 2018.

The exemption is for the winner only, if that dog does not make the trip, no replacement will be made.

Greyhound Racing NZ will contribute towards a travel subsidy.

**Office:** 03 338 6145  
**Scratchings:** 027 431 0117  
*HIGH GRADE NIGHT MEETING ‘NOMINATIONS CLOSE EARLY’*

---

**Electronic Whistler trial**

Christchurch Greyhound Racing Club and GRNZ have been working closely together implementing a range of safety enhancements at the Christchurch track. The key outcome of these developments is to reduce the likelihood of on track injuries and/or deaths.

Change and improvement should be staged and measured, and it has always been our view that the extended arm would be followed by the introduction of a trial using an electronic whistler on the arm.

The trial would test for a number of possible outcomes:

- The first, stimulating the dog’s motivation to chase
- The second, reducing the incidents of failing to pursue

GRNZ and Christchurch Greyhound club will be starting a three-month trial using the electronic whistler on both race and trial days. The trial is to start on the 1st September 2019. (The start date will be dependent on the arrival of a second backup unit.)

MONSTER FISH

Impeccably bred son of super sire Fernanado Bale out of brilliant dam Scissor Queen. Monster Fish possessed pace, box speed and incredible sectionalss throughout his career and was only getting better with age. A record of 69 starts 28 wins and a further 21 placings with almost all of his wins in BOD. Monster Fish was crowned Gippsland Carnival champion along with R/U Group 2 Cranbourne cup, R/U Group 2 Traralgon Cup and leading both NZ rachedog of the year and NZ middle distance dog of the year at the time of his career-ending injury. His half brother Sulzanti is also at stud in Australia and already throwing city class dogs from limited litters. Monster Fish vials are available for a limited time in NZ only $1,200 NZ.
